

**DRYSHIPS ANNOUNCES IT HAS SIGNED
AGREEMENTS WITH NORD LB AND WEST LB ON WAIVER TERMS FOR A TOTAL
OF \$183 MILLION OF DEBT**

ATHENS, GREECE - October 13, 2009 - DryShips Inc. (NASDAQ:DRYS) (the "Company" or "Dryships"), a global provider of marine transportation services for drybulk cargoes and off-shore contract drilling oil services, announced today that it has signed agreements with Nord LB and West LB on waiver terms for \$116 million and \$67 million respectively of our outstanding debt.

George Economou, Chairman and Chief Executive Officer, commented: "I am pleased to report another set of waivers from our banks who remain extremely supportive of DryShips. We are now left with \$187.5 million of outstanding debt, where constructive discussions with the banks continue for waivers and we expect to have those concluded shortly."

Forward-Looking Statements

Matters discussed in this release may constitute forward-looking statements. Forward-looking statements reflect our current views with respect to future events and financial performance and may include statements concerning plans, objectives, goals, strategies, future events or performance, and underlying assumptions and other statements, which are other than statements of historical facts. The forward-looking statements in this release are based upon various assumptions, many of which are based, in turn, upon further assumptions, including without limitation, management's examination of historical operating trends, data contained in our records and other data available from third parties. Although DryShips Inc. believes that these assumptions were reasonable when made, because these assumptions are inherently subject to significant uncertainties and contingencies which are difficult or impossible to predict and are beyond our control, DryShips Inc. cannot assure you that it will achieve or accomplish these expectations, beliefs or projections. Important factors that, in our view, could cause actual results to differ materially from those discussed in the forward-looking statements include the strength of world economies and currencies, general market conditions, including changes in charterhire rates and vessel values, changes in demand that may affect attitudes of time

charterers to scheduled and unscheduled drydocking, changes in DryShips Inc.'s operating expenses, including bunker prices, drydocking and insurance costs, or actions taken by regulatory authorities, potential liability from pending or future litigation, domestic and international political conditions, potential disruption of shipping routes due to accidents and political events or acts by terrorists. Risks and uncertainties are further described in reports filed by DryShips Inc. with the US Securities and Exchange Commission.
